Education Plan

Foster Your Child's
Education Potential

You want your child to avail the best educational opportunities, however, what's keeping you is the higher educational expenses. The Bank of Punjab, in collaboration with EFU Life Assurance Ltd. introduces BOP - Young Lion (Education Plan) - a complete financial planning package for parents to plan for their child's future education.

Unit Accumulation and Investment Fund

Every contribution paid towards the plan is invested in an internal investment fund of EFU Life selected by the customer. The contributions are utilized to buy units of the fund at the prevailing offer price. The objective of the funds is to maximize capital growth by investing in a balanced portfolio spread across a wide range of investment opportunities. The funds are managed by investment experts who adjust the mix of the underlying investments in light of economic conditions and investment opportunities.

Fund Selection Option

Under this option the policyholders of The Bank of Punjab have an option to select a unit fund based on their risk appetite and investment objective at the inception of their policies. The policyholders will have an option (conditions apply) to select from the following three unit funds:

- EFU Managed Growth Fund
- EFU Guaranteed Growth Fund
- EFU Aitemad Growth Fund

Built-in Waiver of Premium Benefit

In case an individual is unable to follow his/her occupation due to sickness or accident, the contribution of the plan would be made by EFU Life.

Built-in Income Benefit

Under the built-in Income Benefit, the plan would ensure that a quarterly income is paid to the family in case of the unfortunate death of the life assured during the plan term. The customer has a choice of selecting any one of the four levels of income i.e.

- Rs. 9,000 quarterly
- Rs. 12,000 quarterly
- Rs. 15,000 quarterly
- Rs. 18,000 quarterly

Fund Acceleration Premiums

This is a regular contribution plan but also gives the flexibility to top-up the savings by depositing surplus funds as lump sum contributions in the plan. These lump sum contributions, called "Fund Acceleration Premium" (FAP) payments can be made at any time during the policy term.

Continuation Benefit

In the unfortunate event of death of the life assured during the savings term, the built-in "Continuation Benefit" ensures that the targeted fund at maturity is achieved. EFU Life will continue to make the contributions towards the plan so that the education planning is not discontinued.

Access to Savings at all Times

The plan provides complete access to the accumulated fund value at all times. After the contributions have been paid for two full years, the fund can be withdrawn for its full or partial value with specific conditions.

Additional Benefit Rider
